

Childcare Cost and Affordability Overview (U.S.)

Comparing cost differences across states, care types, and age groups

**Avg Weekly Cost
(Center-Based)**

~\$133

**Avg Weekly Cost
(Family Daycare)**

~\$108

***Center-Based care
costs ~20-25% more
per week than
Family Daycare***

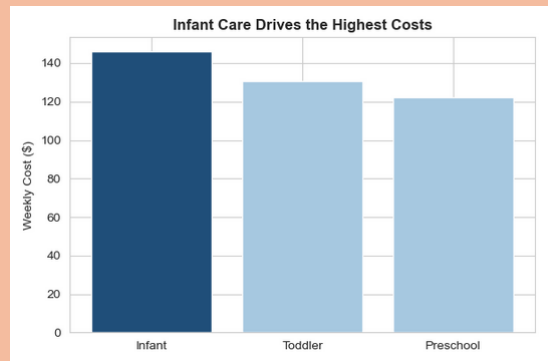

**Highest Cost State
(Family Daycare)**

**Massachusetts
~\$270/Week**

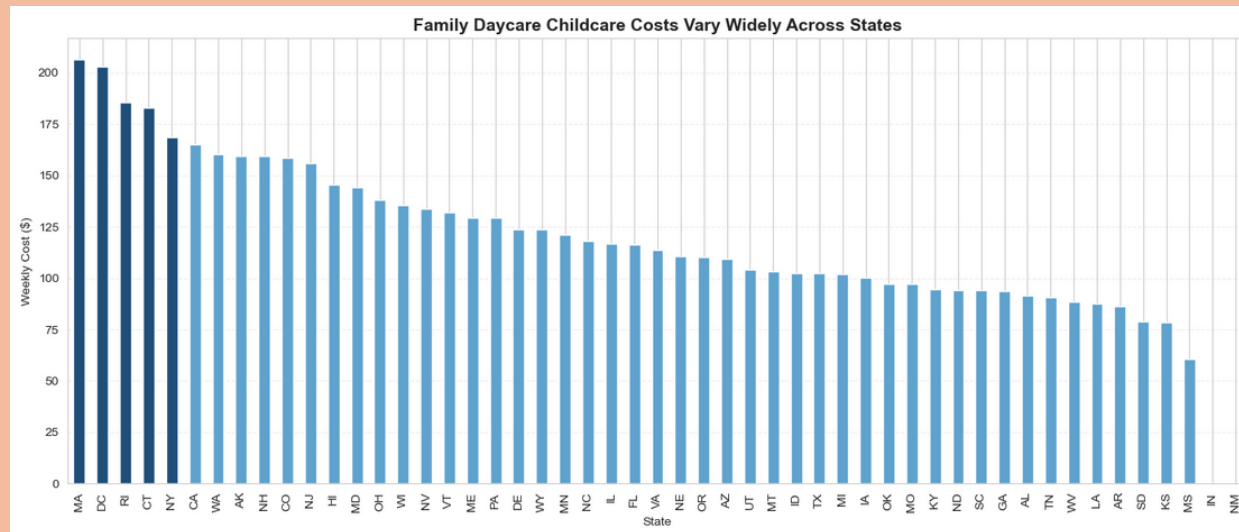

**Lowest Cost State
(Family Daycare)**

**Mississippi
~\$70/Week**

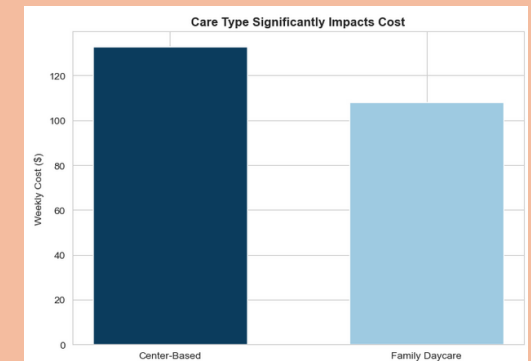

Childcare Costs Vary Widely Across States

Costs decrease slightly as children age but remain a significant weekly expense across all groups.

Higher-cost states create uneven financial burden across regions

Center-Based care is regularly more expensive than Family Daycare, increasing overall cost burden for families.
